

## Construction

### ▪ Street Repair Work on 2<sup>nd</sup> Street

**What:** The City of Kirkland will be performing pavement repair work along the east side of City Hall on 2<sup>nd</sup> Street. This portion of the street was damaged due to a water main break.

**When:** Work is expected to occur this **Wednesday June 23 and Thursday June 24**, however activities may need to be rescheduled due to weather. The City will place no parking signs adjacent to the project area prior to beginning work-- once the signs are posted **please do not park in the work zone.**

The City will remove the damaged pavement and replace it with new hot mix asphalt. Typical hours of operation are Monday-Friday 7:00am to 6:00pm.

**What to Expect:** During the construction, on-street parking and east driveway access in the project area will be restricted. The driveway will remain open, however access will be limited during the construction. Please use other entrances if possible.

**How You Can Help:** Your cooperation in ensuring the roadway affected by the project is not obstructed with vehicles or other items is greatly appreciated. Thank you in advance for your patience and cooperation. Please contact us should you have any questions or concerns.
